Pearltrees page with downloadable resources

- Over 500 educators, parents and other professionals were reached through our dissemination programme including GVPA school, Santa Marta and Church schools INCOs
- Provided Autism training and observation for educators from Slovakia
- Introduced innovative ways of teaching ASD students: LEGO therapy, Music therapy, Life skills, Office skills, Emotional Regulation, Sensory breaks, Social Skills, Talkabout sessions, Colourful semantics and religion
- Sharing of good practice on Facebook page
- Sharing of resources on Pearltrees

- More students are being referred to Sannat Unit services
- Attracted more sponsorships – funding for lifeskills room (Secretariat for the Rights of People and Active Aging), Adaptive Sacraments Preparation Kits and adaptive Program Finding God (Gozo Catechetical Office) and musical instruments for the new music programme (HSBC) FTS – Renovation of first floor - services section
- Opened two new classes for students who require two, three or four days of services
- In the process of having a hydrotherapy pool
- Autism in Gozo 2 – focusing on Challenging Behaviour, Sex and relationships
