7-10-2019

A meeting was held to discuss dissemination sessions. A week long programme for two educators from Slovakia was outlined and each participant was assigned a topic for dissemination. Participants discussed the resources to be prepared for this training. This training is to be held between 14th and 18th of October 2019. Another dissemination date was set for 5th December 2019. Participants will be disseminating their experience in the UK to the rest of the school educators during a CoPE session. Each participant was given a role for this dissemination session.
